

**CIVIL ENGINEERING DEPARTMENT
INDIAN INSTITUTE OF TECHNOLOGY DELHI**

**WAITLISTED GATE QUALIFIED APPLICANTS FOR COAP ROUND – 3 FOR M.TECH.
(FULL TIME) PROGRAMS**

1. A partial and limited waitlist of Gate Qualified applicants for M.Tech. (Full-Time) for all seven programs to be operated through COAP is given below. Since the original waitlist is very long and many are not likely to get admission even after successive COAP rounds, only a partial and limited list that contains approximately top 50 names in General, 30 names in OBC, 20 names in SC and 10 names in ST categories of each program is given. A List of waitlisted PH candidates is also given on the last page of this file.
2. Please note that this partial and limited waiting list of applicants is provisional which is subjected to your fulfilling all the requirements and approval from the competent authority.
3. Each applicant could be present in the merit list of four programs at the maximum. Each applicant would be present in the merit list of the program in which he has received the confirmed admission plus in the merit list of the other programs of his higher preference over the one where he has received confirmed admission. OBC/SC/ST/PH applicants may also appear on the merit list of general applicants if they fulfil the criteria of general applicants.
4. If an applicant feels that he has a chance to get a seat in a program of his higher preference where he is in the waiting list, in the subsequent rounds of COAP, the applicant is advised to exercise "Retain and Wait" option till the third round of COAP and accept a seat of his lower preference only in the last round of COAP. The applicant may also accept a seat in any COAP round if he gets his most preferred program. For more clarification on the matter, you are advised to refer to COAP website (<http://coap.iitm.ac.in>).
