

IMPORTANT INFORMATION ON SPOT ROUND AND COAP ROUND 4

(1) Applicants are informed that if they choose “Accept and Freeze” option in COAP round 4 for a seat at IIT Delhi or at any other Institute, then they will not be eligible for the spot round to be held on 17/07/2018 in the Department of Civil Engineering, IIT Delhi, if seats remain vacant (please see revised admission schedule on this website).

(2) Applicants are further informed that if they choose “Reject and Quit” option in COAP round 4 (if no offer is chosen in COAP round 4 or the applicant does not access COAP, “Reject and Quit” option is automatically chosen – see <http://coap.iitm.ac.in/>), then they will be eligible for only the seats of their preferences higher than the seat offered to them in COAP round 4, in the spot round.

(3) All other applicants who fulfil shortlisting criteria but have not been offered any seat so far in any round of COAP, will be eligible for the spot round.
